ABOUT ME

I'm a dedicated Front-End Web developer with a passion for crafting intuitive and engaging user interfaces. With a strong foundation in HTML, CSS, and JavaScript, I have a proven track record of delivering high-quality web applications.

My journey began at the age of 15, where I discovered the power of coding to bring ideas to life. This early passion has fueled my career, allowing me to work on diverse projects, from solo ventures to collaborative team efforts.

I thrive on the challenge of translating complex ideas into user-friendly solutions. My focus on user experience and business strategy has honed my skills in:

I'm excited to contribute my skills and passion to a team that values innovation and user-centric design.
